

VPay's Turnkey Claim Payments Platform Earns HITRUST CSF® Certification

Health Information Trust Alliance (HITRUST) Common Security Framework (CSF) Ensures Healthcare Organizations Effectively Manage Data, Information Risk, and Compliance

PLANO, Texas – December, 2020 – [VPay](#), a leading turnkey claim payments platform, today announced that its claim payments platform has earned Certified status from the [HITRUST CSF® Assurance Program](#).

“HITRUST CSF Certified status is further evidence that VPay meets and exceeds key regulations and industry-defined requirements and is appropriately managing risk,” said Andy Roberts, CEO of VPay. “This achievement places VPay in an elite group of organizations worldwide that have earned this certification.”

By including federal and state regulations, standards, and frameworks, and incorporating a risk-based approach, the HITRUST CSF helps organizations address challenges through a comprehensive and flexible framework of prescriptive and scalable security controls. The certification process involves [19 assessment categories](#), such as third-party management, password management, access control, and physical security.

“The HITRUST CSF Assurance Program is the most rigorous available, consisting of a multitude of quality assurance checks, both automated and manual,” said Bimal Sheth, Vice President of Assurance Services, HITRUST. “The fact that VPay has achieved HITRUST CSF Certification attests to the high quality of its turnkey claim payments platform.”
